INTRODUCTION

Stemilt Growers, LLC (and its affiliates) (the "Company") established the The 401(k) Savings Plan and Trust of Stemilt Growers, LLC (the "Plan") effective October 01, 1991. This Summary Plan Description describes the Plan as restated effective January 01, 2022. Any Safe Harbor provisions in the Plan, however, will be effective as of January 01, 2002. This revised Summary Plan Description supersedes all previous Summary Plan Descriptions. Although the purpose of this document is to summarize the more significant provisions of the Plan, the plan document will prevail in the event of any inconsistency. In addition, the terms of the Plan cannot be modified by written or oral statements made to you by the Plan Administrator or other personnel.

The following special effective dates apply to some features of the Plan: Roth Deferrals effective January 01, 2014.

ELIGIBILITY

Eligible Employee

You are an "Eligible Employee" if you are employed by Stemilt Growers, LLC (and its affiliates) or any affiliate who has adopted the Plan. However, you are not an "Eligible Employee" if you are a member of any of the following classes of employees:

- For purposes of Elective Deferral Contributions, Employer Matching Contributions, Safe Harbor Matching Contributions and Non-Elective Contributions, any employee who is included in a unit of employees covered by a collective bargaining agreement, if retirement benefits were the subject of good faith bargaining, and if the collective bargaining agreement does not provide for participation in this Plan.
- For purposes of Elective Deferral Contributions, Employer Matching Contributions, Safe Harbor Matching Contributions and Non-Elective Contributions, any leased employee.
- For purposes of Elective Deferral Contributions, Employer Matching Contributions, Safe Harbor Matching Contributions and Non-Elective Contributions, the term "Eligible Employee" will not include: Independent Contractors.

Elective Deferral Contributions, Safe Harbor Matching Contributions, Employer Matching Contributions and Non-Elective Contributions

You will become eligible to make Elective Deferral Contributions and receive Employer Matching Contributions, Safe Harbor Matching Contributions and Non-Elective Contributions on the first day of the calendar month, coincident with or next following the date you attain age 21 and you complete 90 Days of Service - Elapsed Time, provided that you are an Eligible Employee at the end of that period. If you do not meet the requirement as specified, you will also be eligible for the Plan if you complete 1,000 hours of service in an Eligibility Computation Period, provided that you are an Eligible Employee at the end of that period.

Computing Service

"Eligibility Computation Period" means a consecutive 12-month period beginning with your first day of employment. Any succeeding Eligibility Computation Period will then switch to the Plan Year, beginning with the Plan Year that includes your first anniversary of employment. You will generally earn an hour of service for each hour you are paid for the performance of duties for the Company (however, numerous exceptions and special rules apply).

All eligibility service with the Company is taken into account.

Years of service will be treated as service with the Company for eligibility purposes for the following Employer(s) subject to any listed limitations: Dovex Fruit Corporation for all sources.

Please note, if you are eligible to make or receive contributions you will be a "Participant" in the Plan.

CONTRIBUTIONS

Account

"Account" means all of the contributions, of whatever type, made to the Plan for a Participant, including the earnings and losses on those contributions.

Elective Deferral Contributions

You may elect to reduce your Compensation (defined below) and make a contribution to the Plan on a pre-tax basis. These pre-tax contributions are known as Elective Deferral Contributions. You may elect to defer up to 100% of your Plan Compensation on a pre-tax basis. Federal law also limits the amount you may elect to defer under this Plan and any other retirement plan permitting Elective Deferral Contributions during any calendar year (\$22,500 in 2023). However, if you are age 50 or over, you may defer an additional amount, called a "Catch-up Contribution", of up to \$7,500 (in 2023). These dollar limits are indexed; therefore, they may increase each year for cost-of-living adjustments.

You may elect to start, increase or reduce your elections to contribute to the Plan effective as of the dates established pursuant to Plan Administrator procedures. You may totally suspend your elections at any time.

The Plan Administrator may establish rules regarding the manner in which your elections are made. The rules may also require that certain advance notice be given of any election. Your election regarding Elective Deferral Contributions is only effective for Compensation you will receive in the future. The Plan Administrator may also reduce or totally suspend your election if the Plan Administrator determines that your election may cause the Plan to fail to satisfy any of the requirements of the Internal Revenue Code.

Roth Contributions

The Plan allows Elective Deferral Contributions to be made as Roth Contributions. Roth Contributions are Elective Deferral Contributions that are made in the same manner as your pre-tax Elective Deferral Contributions except that Roth Contributions are made to the Plan on an after-tax basis. If certain requirements are met, a "qualified distribution" from your Roth Contribution Account in the Plan will not be taxed. Please

note, Roth Contributions are "Matched Employee Contribution". The Company may match contributions you make as Roth Elective Deferral Contributions.

You must designate how much you would like to contribute on a pre-tax basis (normal Elective Deferral Contribution) and how much you would like to contribute as an after-tax Roth Contribution. You are not required to make any Roth Contributions. You may continue to designate all of your Elective Deferral Contribution elections as normal pre-tax contributions.

The sum of your Roth Contributions and normal Elective Deferral Contributions may not exceed the annual limit on normal Elective Deferral Contributions mentioned above.

As was mentioned above, a "qualified distribution" of your Roth Contributions (and earnings) is not taxable. A "qualified distribution" must be made more than five years after the first Roth Contribution is made and must meet at least one of the following requirements:

- (i) the distribution must be made after you attain age 59-1/2;
- (ii) the distribution must be made to your beneficiary after your death; or
- (iii) the distribution must be made on account of your disability.

Please note, Roth Contributions are not suitable for everyone. Please consult with your tax advisor before making any Roth Contributions to the Plan.

Employer Matching Contributions

The Company may, in its sole discretion, make a matching contribution on your behalf if you make a "Matched Employee Contribution". A "Matched Employee Contribution" is any Elective Deferral Contribution or Catch-up Contribution that you may make during the Plan Year. If you make a "Matched Employee Contribution" the Company may contribute to your Employer Matching Contribution Account in an amount and allocation formula as determined by the Company in its sole discretion.

Safe Harbor Matching Contributions

The Company will contribute a matching contribution to your Safe Harbor Matching Contribution Account in an amount equal to: (i) 100% of the Matched Employee Contributions that are not in excess of 3% of your Plan Compensation, plus (ii) 50% of the amount of the Matched Employee Contributions that exceed 3% of your Plan Compensation but that do not exceed 5% of your Plan Compensation. Matching contributions will be allocated to the Safe Harbor Matching Contribution Accounts of Participants as soon as administratively feasible after the end of each pay period.

Non-Elective Contributions

The Company may, in its sole discretion, make a Non-Elective Contribution to the Plan on your behalf. You will be eligible to receive an allocation if you have completed at least 1,000 hours of service during the Applicable Period and are employed by the Company on the last day of the Applicable Period. For purposes of this section, the Applicable Period for determining satisfaction of service requirements for an allocation of Non-Elective Contributions will be each Plan Year. Non-Elective Contributions will be allocated to the Non-Elective

Contribution Accounts of each Participant eligible to share in such allocations after the end of the Plan Year. Such contributions will be allocated to the Non-Elective Contribution Account of each Participant eligible in the ratio that each Participant's Plan Compensation bears to the Plan Compensation of all eligible Participants.

Please note, if you are an Eligible Employee and terminate employment with the Company due to death, disability or attainment of Normal Retirement Age you will be eligible to receive a Non-Elective Contribution regardless of whether you meet any service requirement and/or last day requirement described in this section.

Please note, if you terminate on the last day of the Applicable Period, you will be treated as being employed for purposes of determining whether you have met the last day requirement described in this section.

Qualified Non-Elective Contributions

In addition to the contributions described above, the Company may make additional Qualified Non-Elective Contributions for the benefit of such Participants determined at the discretion of the Company.

Rollover Contributions

The Plan may accept a Rollover Contribution made on behalf of any Eligible Employee, regardless of whether such employee has met the age and service requirements of the Plan. An Eligible Employee who has not yet met any of the eligibility requirements of the Plan will be deemed a Participant only with respect to amounts, if any, in his Rollover Contribution Account. In general, any eligible rollover distribution will be accepted by the Plan; however, the Plan Administrator may establish procedures that regulate the method by which Rollover Contributions will be accepted.

Military Service Contributions

If you serve in the United States armed forces and must miss work as a result of such service, you may be eligible to receive contributions, benefits and service credit with respect to any qualified military service. In addition, your survivors may be eligible to receive benefits or service credit if you die while performing qualified military service.

Limits on Contributions

The amount that may be contributed to the Plan on your behalf in any year is limited to a fixed dollar amount (\$66,000 in 2023). This dollar limit is indexed; therefore, it may increase each year for cost-of-living adjustments. In addition, contributions cannot exceed 100% of your total Plan Compensation.

Elections to start, increase, or reduce employee deferral contributions will be effective the pay period following the submitted change. Changes to deferrals will be allowed one time per month.

COMPENSATION

Plan Compensation

"Plan Compensation" means wages that are shown as taxable wages on your IRS Form W-2. For any self-employed individual, Plan Compensation will mean earned income.

For purposes of allocating Employer Matching Contributions, Non-Elective Contributions and Qualified Non-elective Contributions, Plan Compensation is determined over the Plan Year.

Unless otherwise indicated below, Plan Compensation will exclude Deemed 125 Compensation, Post Year End Compensation which includes amounts earned during a year but not paid during that year solely because of the timing of pay periods and pay dates when: (i) these amounts are paid during the first few weeks of the next year; (ii) the amounts are included on a uniform and consistent basis with respect to all similarly situated Employees; and (iii) no compensation is included in more than one year and Payments of unused accrued bona fide sick, vacation, or certain other leave that are paid to you after you terminate employment for purposes of all contributions.

The following adjustments will be made to the definition of Plan Compensation:

- For purposes of Elective Deferral Contributions, Safe Harbor Matching Contributions, Employer Matching Contributions and Non-Elective Contributions, Plan Compensation will include any amount you elect to defer on a tax-preferred basis to any Company benefit plan.
- For purposes of Employer Matching Contributions, Safe Harbor Matching Contributions and Non-Elective Contributions, Plan Compensation will include only that compensation which is actually paid to you by the Company during that part of the Plan Year that you are eligible to participate in the Plan.
- For purposes of Elective Deferral Contributions, Safe Harbor Matching Contributions, Employer Matching Contributions and Non-Elective Contributions, Plan Compensation will exclude Severance Pay.

No more than \$330,000 (in 2023) of Plan Compensation may be taken into account in determining your benefits under the Plan. This dollar limit is indexed; therefore, it may increase each year for cost-of-living adjustments.

The vesting computation period is the Plan Year.

DISTRIBUTIONS

Commencement of Distributions

Termination of Employment. You are entitled to receive a distribution from your Account after you terminate employment. This includes termination due to Disability. The distribution will start at the time

specified in the section titled "Timing and Form of Payment" below.

Late Retirement. If you continue working for the Company after your Normal Retirement Age, your participation under the Plan will continue, and your benefits will begin following the date you terminate employment. You may elect to have the Plan Administrator begin the distribution of your benefit at any time after reaching your Normal Retirement Age (even if you are still working) by providing the Plan Administrator with a written election that you want your benefits to begin. The Account(s) eligible for the benefit are specified in the section titled "In-Service Distributions upon Normal Retirement Age" below.

Death. If you die, your beneficiary will become entitled to receive your vested Account balance. The distribution will start at the time specified in the section titled "Timing and Form of Payment" below.

Normal Retirement Age

"Normal Retirement Age" means the date you reach age 65.

Timing and Form of Payment

Distribution for Reasons Other Than Death. If you become entitled to receive your benefit for any reason other than death your Account will be distributed in a lump sum payment. This is your normal form of payment. In addition to the normal form of payment, distributions from the Plan after termination of employment (for reasons other than death) may be made in a lump sum payment or substantially equal annual or more frequent installments over a period not to exceed the joint life expectancy of you or your Beneficiary. Payment of your vested Account may start as soon as administratively feasible with a final payment made consisting of any allocations occurring after your termination of employment. Your Account is payable in cash.

Distribution on Account of Death. If you die before distribution of your Account begins, distribution of your entire Account must be completed by December 31 of the calendar year containing the fifth anniversary of your death unless an election is made by your beneficiary to receive distributions in accordance with 1. and 2. below:

1. Distributions may be made over the life or over a period certain not greater than the life expectancy of the beneficiary commencing on or before December 31 of the calendar year immediately following the calendar year in which you die;
2. If the beneficiary is your surviving spouse, the date distributions are required to begin in accordance with item 1. above will not be earlier than the later of (A) December 31 of the calendar year immediately following the calendar year in which you die, or (B) December 31 of the calendar year in which you would have attained age 70-1/2 (for Participants born before July 1, 1949) or age 72 (for Participants born after June 30, 1949).

Your beneficiary will be entitled to a distribution in any form that is available to you prior to your death.

If you die after distribution of your Account has begun, the remaining portion of your Account will continue to be distributed under the method of distribution being used prior to your death. If your Account was not being distributed in the form of an annuity at the time of your death, your beneficiary may elect to receive your remaining vested Account balance in a lump sum distribution.

Force-Out

After your termination of employment with the Company, if the vested amount of your Account (excluding rollovers) does not exceed \$5,000, your vested Account balance will be distributed from the Plan. You may elect to: 1) receive this distribution in cash; or 2) roll over the distribution to an individual retirement account (IRA) or the qualified plan of your new employer (but only if your new employer's plan allows such rollovers). However, if you do not timely return your election forms, the following will apply: if the vested amount of your Account balance is less than or equal to \$1,000, your vested Account will be distributed to you in cash. If your vested Account balance is more than \$1,000, but does not exceed \$5,000, the Plan Administrator will transfer your vested Account to an IRA established in your name; unless the distribution occurs after the Required Beginning Date. This mandatory distribution will be invested in an IRA designed to preserve principal and provide a reasonable rate of return and liquidity. Participant For further information concerning the Plan's automatic rollover provisions, the IRA provider and the fees and expenses attendant to the individual retirement plan please contact the Plan Administrator at the phone number found in the "ADMINISTRATIVE INFORMATION" section at the end of this Summary Plan Description.

If the vested amount of your Account exceeds \$5,000, you must consent to any distribution of your Account. However, the Plan Administrator will commence distribution of your vested Account balance without your consent at the time that payments must begin under applicable federal law - generally the April 1 following the later of the calendar year in which you attain age 72 or you terminate employment. However, you may elect to begin distributions on the April 1 following the calendar year in which you attain age 72 even if you have not yet terminated employment. Special rules apply to persons who are deemed to own more than 5% of the Company.

Beneficiary

You have the right to designate, in a written form acceptable to the Plan Administrator, one or more primary and one or more secondary beneficiaries to receive any benefit becoming payable upon your death. Your spouse must be your sole beneficiary unless he or she consents to the designation of another beneficiary. You may change your beneficiaries at any time and from time to time by filing written notice of such change with the Plan Administrator.

If you fail to designate a beneficiary, or in the event that all designated primary and secondary beneficiaries die before you, the death benefit will be payable to your spouse, or if there is no spouse, to your children in equal shares, or if there are no children to your estate.

IN-SERVICE DISTRIBUTIONS AND LOANS

In-Service Distributions upon Normal Retirement Age

In-service distributions may be made upon attainment of Normal Retirement Age. These distributions can be made from the following Accounts: All accounts.

Hardship Distributions

General Rule. You may receive a distribution on account of hardship from the following Accounts but only if you are fully vested in such Account.

- Elective Deferral Account, including earnings of your Elective Deferral Account.
- Rollover Contribution Account.

Your Roth Contributions may be withdrawn on account of financial hardship in the same manner as your normal Elective Deferral Contributions. Please note however, that the income on the Roth Contributions may be taxable (and subject to penalties for early withdrawal) if the withdrawal is not a "qualified distribution."

Please note, the following limitations apply to hardship distributions: A plan participant may take either one(1) hardship loan or one (1) hardship withdrawal within a calendar year. Once a participant takes a hardship withdrawal they must wait until the next calendar year to take another hardship withdrawal or participant loan. If a participant has a participant loan, it must be paid in full along with a 90 day administrative period, before taking another participant loan or taking a hardship withdrawal. *The minimum hardship withdrawal amount is \$1,000 .

Immediate and Heavy Financial Need. You may receive a hardship distribution only if the Plan Administrator finds that you have an immediate and heavy financial need where you lack other available resources. The following are the only financial needs considered immediate and heavy:

1. Expenses incurred or necessary for medical care, described in Code section 213(d), for you or your spouse, children, or dependents;
2. The purchase (excluding mortgage payments) of a principal residence for the Participant;
3. Payment of tuition and related educational fees for the next 12 months of post-secondary education for you or your spouse, children or dependents;
4. The need to prevent the eviction of you from your principal residence (or a foreclosure on the mortgage on your principal residence);
5. Payments for burial or funeral expenses for your deceased parent, spouse, children or dependents;
6. Expenses for the repair of damage to your principal residence that would qualify for the casualty deduction; or
7. Expenses incurred on account of a federally declared disaster.

There will no longer be a 6-month suspension period for your Elective Deferral Contributions, if applicable, after the receipt of the hardship distribution. In addition, any remaining portion of the 6-month suspension period for a prior hardship distribution will be discontinued on that date.

Amount Necessary to Satisfy Need. A distribution will be considered as necessary to satisfy your immediate and heavy financial need only if:

1. You have obtained all distributions, other than hardship distributions, under all plans maintained by the Company;

2. The distribution is not in excess of the amount of an immediate and heavy financial need (including amounts necessary to pay any federal, state or local income taxes or penalties reasonably anticipated to result from the distribution).
3. You have represented in writing or by electronic medium that you have insufficient cash or other liquid assets to satisfy the financial need.

Attainment of Age 59-1/2

You may receive a distribution after attainment of age 59-1/2 from the following Accounts but only if you are fully vested in such Accounts:

- Elective Deferral Account. Your Roth Contributions may be withdrawn in the same manner as your normal Elective Deferral Contributions. Please note however, that the income on the Roth Contributions may be taxable (and subject to penalties for early withdrawal) if the withdrawal is not a "qualified distribution."
- Qualified Non-Elective Contribution Account.
- Safe Harbor Contribution Account.
- Rollover Contribution Account.

Disability Distributions

If you become Disabled (defined below) while still employed, you may receive a distribution from your Accounts. However, the following Accounts may not be distributed unless a severe disability has occurred: Elective Deferral Account, Qualified Non-Elective Contribution Account and Safe Harbor Matching Contribution Account. A severe disability is as follows: the Participant is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. The permanence and degree of such impairment shall be supported by medical evidence.

In-Plan Roth Rollovers of Distributable Amounts

If you have money in a fully vested non-Roth Account that is eligible for a distribution from the Plan you may roll over the Account balance to a Roth (after-tax) Account under this Plan. If you roll over the payment to a designated Roth account in this Plan, the amount of the payment rolled over (reduced by any after-tax amounts directly rolled over) will be taxed. However, the 10% additional tax on early distributions will not apply (unless you take the amount rolled over out of the designated Roth account within the 5-year period that begins on January 1 of the year of the rollover). Any amount you roll over can be distributed under the rules applicable to the Account immediately prior to the rollover.

Qualified Birth or Adoption Distribution

Effective January 01, 2021, you may receive an in-service distribution on account of a "qualified birth or adoption distributions" from the vested portion of your account. The following criteria must be satisfied:

1. Amount cannot exceed \$5,000 per child.
2. Distribution must be made during the 1-year period beginning on the date your child(ren) is born or when the legal adoption of an eligible adoptee is finalized.
3. An "eligible adoptee" is any individual (other than child of the Participant's spouse) who has not attained 18 or is physically or mentally incapable of self support.

Rules Regarding In-Service Distributions

The Plan Administrator may establish uniform procedures that include, but are not limited to, prescribing limitations on the frequency and minimum amount of withdrawals. All distributions will be made in the form of a single sum as soon as practicable following the valuation date as of which such withdrawal is made. Only Employees are eligible to receive in-service distributions.

Loans

The Plan Administrator, in its discretion, may permit Participants to apply for a loan from the Plan. The Plan Administrator may further adopt any administrative rules or procedures that it deems necessary or appropriate with respect to the granting and administering of loans. Please contact the Plan Administrator for a copy of the Loan Procedures for more information regarding taking a loan from the Plan.

INVESTMENTS

Participant Self-Direction

In General. The Plan Administrator allows you to direct the investment of all of your Accounts. The Plan Administrator may establish uniform guidelines and procedures relating to Participant self-direction.

Investment Elections. You may direct the percentage of your Accounts to be invested in one or more of the available investment funds. Your elections will be subject to such rules and limitations as the Plan Administrator may prescribe. After your death, your beneficiary may make investment elections as if the beneficiary were the Participant. However, the Plan Administrator may restrict investment transfers to the extent required to comply with applicable law.

Investment Decisions. The Plan is intended to constitute a plan described in section 404(c) of ERISA. This means that Plan fiduciaries may be relieved of liability for any of your losses that are the result of your investment elections.

Voting Rights

You may direct the Trustee as to the exercise of voting rights with respect to your allocable share of any investment in the Trust Fund that allows or requires voting. The Trustee will provide or direct you to where you can find notices, prospectuses, financial statements, proxies and proxy soliciting material relating to such investment. The Plan Administrator will provide you with voting forms and instructions. Your instructions will remain in the strict confidence of the Trustee. Any investments for which no instructions are received by the

Trustee within such time specified by notice and, unless otherwise required by applicable law, any shares which are not allocated to Participants' Accounts are voted by the Trustee in the same proportion that the shares for which instructions are received are voted.

Valuation Dates

Accounts are valued each business day.

CLAIMS PROCEDURES

Application for Benefits. You or any other person entitled to benefits from the Plan (a "Claimant") may apply for such benefits by completing and filing a claim with the Plan Administrator. Any such claim must be in writing and must include all information and evidence that the Plan Administrator deems necessary to properly evaluate the merit of and to make any necessary determinations on a claim for benefits. The Plan Administrator may request any additional information necessary to evaluate the claim.

Timing of Notice of Denied Claim. The Plan Administrator will notify the Claimant of any adverse benefit determination within a reasonable period of time, but not later than 90 days (45 days if the claim relates

to a disability determination) after receipt of the claim. This period may be extended one time by the Plan for up to 90 days (30 additional days if the claim relates to a disability determination), provided that the Plan Administrator both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies the Claimant, prior to the expiration of the initial review period, of the circumstances requiring the extension of time and the date by which the Plan expects to render a decision. If the claim relates to a disability determination, the period for making the determination may be extended for up to an additional 30 days if the Plan Administrator notifies the Claimant prior to the expiration of the first 30-day extension period.

Content of Notice of Denied Claim. If a claim is wholly or partially denied, the Plan Administrator will provide the Claimant with a written notice identifying:

1. The reason or reasons for such denial,
2. The pertinent Plan provisions on which the denial is based,
3. Any material or information needed to grant the claim and an explanation of why the additional information is necessary, and
4. An explanation of the steps that the Claimant must take if he wishes to appeal the denial including a statement that the Claimant may bring a civil action under ERISA.

Appeals of Denied Claim. If a Claimant wishes to appeal the denial of a claim, he must file a written appeal with the Plan Administrator on or before the 60th day (180th day if the claim relates to a disability determination) after he receives the Plan Administrator's written notice that the claim has been wholly or partially denied. The written appeal must identify both the grounds and specific Plan provisions upon which the appeal is based. The Claimant will be provided, upon request and free of charge, documents and other information relevant to his claim. A written appeal may also include any comments, statements or documents that the Claimant may desire to provide. The Plan Administrator will consider the merits of the Claimant's written presentations, the merits of any facts or evidence in support of the denial of benefits, and such other facts and circumstances as the Plan Administrator may deem relevant. The Claimant will lose the right to appeal if the appeal is not timely made. The Plan Administrator will ordinarily rule on an appeal within 60 days (45 days if the claim relates to a disability determination). However, if special circumstances require an extension and the Plan Administrator furnishes the Claimant with a written extension notice during the initial period, the Plan Administrator may take up to 120 days (90 days if the claim relates to a disability determination) to rule on an appeal.

Denial of Appeal. If an appeal is wholly or partially denied, the Plan Administrator will provide the Claimant with a notice identifying:

1. The reason or reasons for such denial,
2. The pertinent Plan provisions on which the denial is based,
3. A statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claimant's claim for benefits, and

4. A statement describing the Claimant's right to bring an action under section 502(a) of ERISA. The determination rendered by the Plan Administrator will be binding upon all parties.

Determinations of Disability. If the claim relates to a disability determination, determinations of the Plan Administrator will include the information required under applicable United States Department of Labor regulations.

YOUR RIGHTS UNDER ERISA

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). This federal law provides that you have the right to:

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Obtain, once a year, a statement from the Plan Administrator regarding your Accrued Benefit under the Plan and the nonforfeitable (vested) portion of your Accrued Benefit, if any. This statement must be requested in writing and is not required to be given more than once every 12 months. The Plan must provide the statement free of charge.

In addition, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining your benefits or exercising your rights under ERISA.

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

MISCELLANEOUS

Domestic Relations Orders

Under certain circumstances, a court may issue a domestic relations order assigning a portion of your benefits under the Plan to a spouse, former spouse, child or other dependent. The Plan Administrator will determine whether the order is a qualified domestic relations order ("QDRO"). If the Plan Administrator determines that the order is a QDRO, it will implement the terms of the QDRO and divide your Account accordingly. You may obtain, without charge, a copy of the Plan's QDRO procedures from the Plan Administrator.

Disability

Under this Plan, you are disabled if you have been determined disabled by the Social Security Administration and you are eligible to receive disability benefits under the Social Security Act.

Assignment and Alienation of Benefits

Except as provided below, your Account is held in trust and cannot be assigned and, to the extent permitted by law, is not subject to any form of attachment, garnishment, sequestration or other actions of collection. You may not alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which you may expect to receive, contingently or otherwise, under the Plan, except that you may designate a beneficiary.

However, you may lose all or part of your balance:

1. Pursuant to the terms of a QDRO;
2. To comply with any federal tax levy; or

3. To comply with the provisions and conditions of a judgment, order, decree or settlement agreement between you and the Secretary of Labor or the Pension Benefit Guaranty Corporation relating to your violation (or alleged violation) of ERISA fiduciary responsibilities.

Amendment and Termination

Although the Company intends to maintain the Plan indefinitely, the Company may amend or terminate the Plan at any time in its sole discretion. If any of these actions is taken, you will be notified. However, no such action may permit any part of Plan assets to be used for any purpose other than the exclusive benefit of participants and beneficiaries or cause any reduction in your vested Account balance as of the date of the amendment or termination. If the Plan is terminated, all amounts credited to your Account will become 100% vested.

Insurance

The Plan is not insured by the Pension Benefit Guaranty Corporation (PBGC) because it is not a defined benefit pension plan.

Administrator Discretion

The Plan Administrator has the authority to make factual determinations, to construe and interpret the provisions of the Plan, to correct defects and resolve ambiguities in the Plan and to supply omissions to the Plan. Any construction, interpretation or application of the Plan by the Plan Administrator is final, conclusive and binding.

Plan Not a Contract of Employment

The Plan does not constitute, and is not to be deemed to constitute, an employment contract between the Company and any employee or an inducement or condition of employment of any employee. Nothing in the Plan is to be deemed to give any employee the right to be retained in the Company's service or to interfere with the Company's right to discharge any employee at any time.

Waiver

Any failure by the Plan or the Plan Administrator to insist upon compliance with any of the Plan's provisions at any time or under any set of circumstances does not operate to waive or modify the provision or in any other manner render it unenforceable as to any other time or as to any other occurrence, whether the circumstances are the same or different. No waiver of any term or condition of the Plan is valid or of any force or effect unless it is expressed in writing and signed by a person authorized by the Plan Administrator to grant a waiver.

Errors

Any clerical or similar error by the Plan Administrator cannot give coverage under the Plan to any individual who otherwise does not qualify for coverage under the Plan. An error cannot give a benefit to an individual who is not actually entitled to the benefit.

THE 401(K) SAVINGS PLAN AND TRUST OF STEMILT GROWERS, LLC

SUMMARY OF MATERIAL MODIFICATIONS

The purpose of this Summary of Material Modifications is to inform you of a change that has been made to The 401(k) Savings Plan and Trust of Stemilt Growers, LLC effective June 1, 2025. This change has affected the information previously provided to you in the Plan's Summary Plan Description. The revised portion of the Summary Plan Description is described below.

CONTRIBUTIONS

Elective Deferral Contributions

You may elect to reduce your Compensation (defined below) and make a contribution to the Plan on a pre-tax basis. These pre-tax contributions are known as Elective Deferral Contributions. You may elect to defer up to 100% of your Plan Compensation on a pre-tax basis. Federal law also limits the amount you may elect to defer under this Plan and any other retirement plan permitting Elective Deferral Contributions during any calendar year (\$23,500 in 2025). However, if you are age 50 or over, you may defer an additional amount, called a "Catch-up Contribution", of up to \$7,500 (in 2025). These dollar limits are indexed; therefore, they may increase each year for cost-of-living adjustments.

You may elect to start, increase, reduce or totally suspend your elections to contribute to the Plan effective as of each pay period.

The Plan Administrator may establish rules regarding the manner in which your elections are made. The rules may also require that certain advance notice be given of any election. Your election regarding Elective Deferral Contributions is only effective for Compensation you will receive in the future. The Plan Administrator may also reduce or totally suspend your election if the Plan Administrator determines that your election may cause the Plan to fail to satisfy any of the requirements of the Internal Revenue Code.

DISTRIBUTIONS

Timing and Form of Payment

Distribution for Reasons Other Than Death. If you become entitled to receive your benefit for any reason other than death your Account will be distributed in a lump sum payment. This is your normal form of payment. In addition to the normal form of payment, distributions from the Plan after termination of employment (for reasons other than death) may be made in a lump sum payment or substantially equal annual or more frequent installments over a period not to exceed the joint life expectancy of you or your Beneficiary. Payment of your vested Account may start after termination of employment with applicable administrative period. Your Account is payable in cash.

Distribution on Account of Death. If you die before distribution of your Account begins, distribution of your entire Account must be completed by December 31 of the calendar year containing the fifth anniversary of your death unless an election is made by your beneficiary to receive distributions in accordance with 1. and 2. below:

- (1) Distributions may be made over the life or over a period certain not greater than the life expectancy of the beneficiary commencing on or before December 31 of the calendar year immediately following the calendar year in which you die;
- (2) If the beneficiary is your surviving spouse, the date distributions are required to begin in accordance with item 1. above will not be earlier than the later of (A) December 31 of the calendar year immediately following the calendar year in which you die, or (B) December 31 of the calendar year in which you would have attained age 70-1/2 (for Participants born before July 1, 1949) or age 72 (for Participants born after June 30, 1949).

Your beneficiary will be entitled to a distribution in any form that is available to you prior to your death.

If you die after distribution of your Account has begun, the remaining portion of your Account will continue to be distributed under the method of distribution being used prior to your death. If your Account was not being distributed in the form of an annuity at the time of your death, your beneficiary may elect to receive your remaining vested Account balance in a lump sum distribution.

IN-SERVICE DISTRIBUTIONS AND LOANS

Attainment of Age 59-1/2

You may receive a distribution after you reach age 59-1/2 from all of your Accounts but only if you are fully vested in such Accounts. Your Roth Contributions may be withdrawn in the same manner as your normal Elective Deferral Contributions. Please note however, that the income on the Roth Contributions may be taxable (and subject to penalties for early withdrawal) if the withdrawal is not a "qualified distribution."

Qualified Birth or Adoption Distribution

Effective January 01, 2021, you may receive an in-service distribution on account of a "qualified birth or adoption distributions" from the vested portion of your account. The following criteria must be satisfied:

- (1) Amount cannot exceed \$5,000 per child.
- (2) Distribution must be made during the 1-year period beginning on the date your child(ren) is born or when the legal adoption of an eligible adoptee is finalized.
- (3) An "eligible adoptee" is any individual (other than child of the Participant's spouse) who has not attained 18 or is physically or mentally incapable of self support.

Rules Regarding In-Service Distributions

The Plan Administrator may establish uniform procedures that include, but are not limited to, prescribing limitations on the frequency and minimum amount of withdrawals. All distributions will be made in the form of a single sum as soon as practicable following the valuation date as of which such withdrawal is made. Only Employees are eligible to receive in-service distributions.

SUMMARY PLAN DESCRIPTION SUPPLEMENT NOTICE FOR LONG-TERM PART-TIME EMPLOYEES

Effective January 1, 2024, new rules relating to certain Long-Term Part-Time (LTPT) Employees went into effect that impact information contained in the Summary Plan Description (SPD). Under these new rules, certain part-time Employees will be allowed to contribute Elective Deferral Contributions to the Company's 401(k) plan. Previously, these employees were not permitted to participate in the Plan.

What Part-Time Employees May Now Contribute?

Effective January 1, 2024, to be eligible to participate in the retirement plan as an LTPT Employee, you must have worked at least 500 hours of service in each of the previous three consecutive 12-month periods (starting with the 2021 plan year) and be at least age 21.

Once you meet the eligibility requirements above, you will be eligible to participate in the plan unless you fall into one of the following categories:

- You are an employee covered by a collective bargaining agreement where retirement benefits were the subject of good faith bargaining.
- You are a non-resident alien with no U.S. sourced income.

I'm an LTPT Employee, What Does That Mean?

If you meet at least 500 hours of service in each of the previous three consecutive 12-month periods and the age 21 requirement, you may elect to make Elective Deferral Contributions to the Plan. These are contributions that you authorize the Company to take out of your pay and contribute on your behalf to the 401(k) Plan.

Please refer to the SPD "Elective Deferral Contributions" within the "Contributions" section for more information.

How Will I Enroll in the Plan for Salary Deferrals?

You will be given the opportunity to elect whether to contribute to the Plan. Please contact your Plan Administrator listed in the "Administrative Information" section of the SPD.

If your 401(k) Plan has a feature called "automatic enrollment". Please refer to the "Automatic Contributions" paragraph within the "Contributions" section of the SPD for more information.

Am I Eligible for Employer Contributions in the 401(k) Plan?

You may become eligible for Employer Contributions upon meeting the eligibility criteria described in the SPD. If you later complete the requirements as listed in the "Eligibility" section of the SPD for these Employer Contributions, you will be provided with the opportunity to receive these additional benefits and features.

When I Leave, Am I Entitled to the Money I Contributed to the Plan?

When you leave the Company, you are always entitled to a distribution of your contributions and the investment returns on those contributions. If the Company makes any contributions on your behalf, you will become entitled to those contributions based on your years of service with the Company. Please refer to the "Vesting" section in the SPD. However, as an LTPT Employee, a Year of Vesting Service will be calculated differently than as explained in the SPD. You will receive credit for a Year of Vesting Service for any year after 2020 in which you are credited with at least 500 hours of service.

When you leave the Company, your options for distribution will be explained to you. You may also review the "Distributions" section of the SPD for more information.

What if I Have More Questions?

If you have any questions, please contact the Plan Administrator listed in the "Administrative Information" section of the SPD.
